KCSD Health & Safety Plan Update

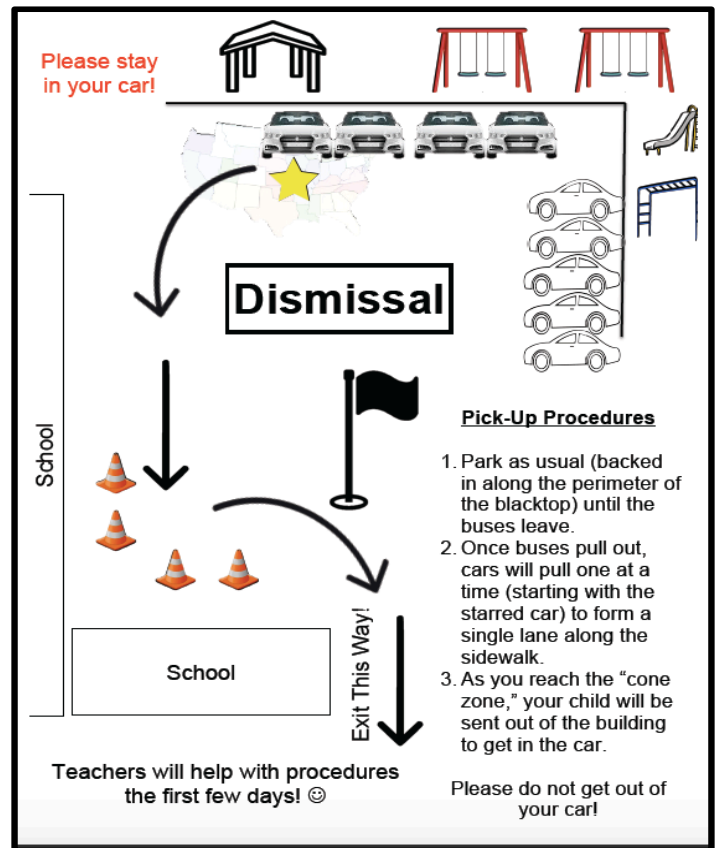

- Masks & Face Coverings may be worn by choice on district property. We will collaborate with local and state health officials as needed to determine any need for universal wearing of facemasks. KCSD will enforce any state mandated orders pertaining to facemasks. The Centers for Disease Control (CDC) is currently recommending universal masking for all persons and we encourage everyone to consult with their doctor, or pediatrician, when making their personal decision.
- Masks & Face Coverings are currently required on school busses. Voluntary parent transportation is an option for families who do not wish to use the school bus.
- We will maintain physical distancing of 3-6 feet when possible in our schools.
- Temperatures will no longer be taken daily for all, but rather as needed by the school nurse.
- Daily cleaning and sanitizing will continue in all buildings.
- KCSD administrators will continue to conduct contact tracing when known cases of Covid-19 have occurred. Principals may require quarantine for known contacts.

Food and Nutrition Service News

Great News from the Food and Nutrition Service Department

All students will receive FREE breakfast and lunches for the 2021-2022 school year through the USDA Waivers Program. In order for the District to continue this federal funding, we are asking each student to fill out a Free and Reduced Lunch Application, which will be sent home with each student on the first day of school. These completed applications will ensure continued funding for this program. Applications can also be completed online by visiting: www.ezmealapp.com

NUTRITION 2020
How often does your family eat seafood?
For a healthy diet, you should choose fish
twice a week. And we're not just talking fish
fillets -- try fish (and shellfish) on salads,
in soups, in sandwiches, as a wrap, in a
strawberry, on pasta. Grill your seafood, cook
it, broil it, bake it, blanch it, pan-sear it.
The possibilities are as wide as the ocean!

Happy September

BREAKFAST IS FREE
FOR ALL STUDENTS
EVERY SCHOOL DAY.
